### **LETTER OF RECOMMENDATION**

G S Ganesh was a crucial part of the 'GamingMonk Campus Ambassador Program 2.0'. His tasks involved offline and online promotions and social media marketing for GamingMonk besides contributing to product development. His communication skills, convincing attributes and social media marketing skills were put to test and he gained exposure of working with a start-up.

A very curious, committed and hard working person, G S Ganesh has been by far one of the most enthusiastic campus interns for GamingMonk with his obsession to successfully finish the assigned tasks. His honest inputs have been proved valuable for the future functioning of the Company.

We wish him luck and success in all his future academic and professional endeavors.

Sincerely,

Kushagra Rajpal  
Program Coordinator  
GamingMonk
